The Class Officer Association Executive Board and Dartmouth recognizes the classes of 1962 and 1986.

One of our greatest strengths as a community is our compassion. Two classes demonstrated great empathy this year through their class programming.

The Class of 1962 has been conducting outstanding work through its Class Caring Network. Since its formation in 2021, it has hosted 14 medical lectures covering topics like dementia, COVID, cancer, Parkinson’s, and extended care. The class works with the Dartmouth Center for Health Aging to identify speakers, and other classes participate in the lectures. Congratulations and thank you for providing such relevant information to your class and the Dartmouth community.

The Class of 1986 has been nominated for the exemplary work of its Compassion Committee, which has 15 members and 125 more in the network. Their efforts have benefited the lives of more than 40 classmates and families in need of help and compassion. Congratulations and thank you for the outstanding support you provide to your class.
