Rocky Mountains

The Communities Executive Committee and Dartmouth recognize the Dartmouth Association of the Rocky Mountains (DARM) for their excellent post-pandemic reactivation of their community through in-person programming, including a successful annual meeting in Denver. With 19 board members, DARM has strong leadership and has seen an increase in membership and dues collection in the last fiscal year—with nearly 250 dues-paying members! With quarterly newsletters and nearly 40 club emails this year, they keep members engaged and informed. This year, they planned a welcome event for admitted students, a send-off picnic for members of the Class of 2026, a Pong tournament, an annual picnic, a Women & Wine event, an alumni-led discussion about geology in the area, and a book club! They have a strong commitment to increasing young alumni engagement and engagement within their community and planned an event with Habitat for Humanity to rebuild homes in Aria. We also commend them for their collaboration with Women of Dartmouth, which included a chili dinner, bike ride, and a wildflower hike. Well done, DARM!
