## **Dartmouth Club of the Pioneer Valley**

The Communities Executive Committee and Dartmouth recognize the Dartmouth Club of the Pioneer Valley for their excellent regional engagement. The club remained active during the pandemic through virtual programming and successfully transitioned to hosting both in-person and virtual programming.

Their diverse offerings in a small club region include speakers, outdoor adventures, book awards, and a memorable annual dinner. The club communicates regularly with constituents, has a strong executive board and a high percentage of dues paying members. The Dartmouth Club of the Pioneer Valley is a model for small regional clubs, and the CEC and Alumni Relations applaud their exemplary work.
