## Women of Dartmouth Boston

The Communities Executive Committee and Dartmouth recognizes Women of Dartmouth Boston for their exemplary engagement work. The Boston chapter has dedicated leadership and strong succession planning. The group has developed inclusive programming and communications. They have a well-designed newsletter with interesting content and feature alums and leverage social media to reach more members. Collaboration is important to the group, and they publicize other WD regional events happening virtually as well as college-sponsored programs. They have a strong community of alums who regularly attend events.

A few highlights include a Cider Barn meetup, barre class, fall picnic on the Esplanade, virtual wine tasting, walking tours, and a flower arrangement class. In addition to social activities, they hosted a Fall kick-off to meet new volunteers and welcome new alumnae to the area, an in-person event to commemorate the 50th anniversary of coeducation, and an annual service project with Rosie's Place, a women's shelter in Boston. The CEC and Alumni Relations commend Women of Dartmouth Boston for their amazing activities and leadership.
